

# Path To Agility Framework v2.5.0 Release Notes

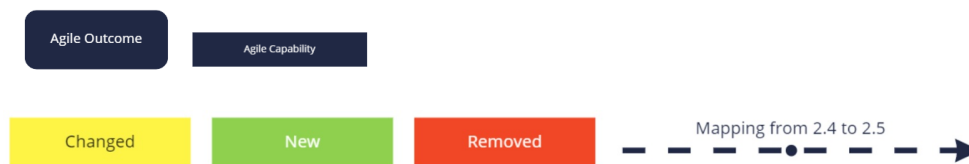

08/01/2023 2:25 pm CDT

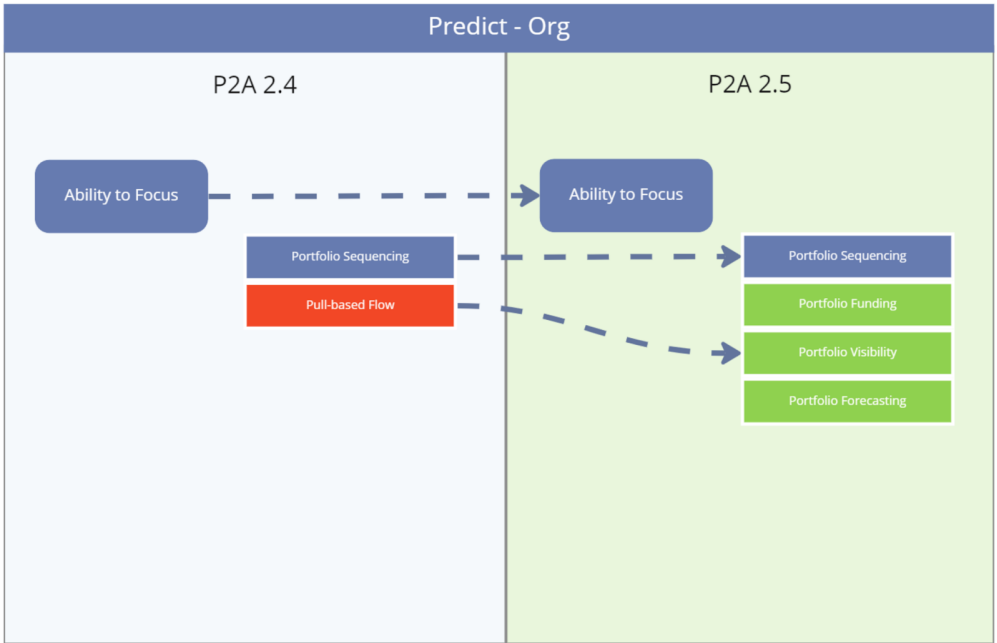

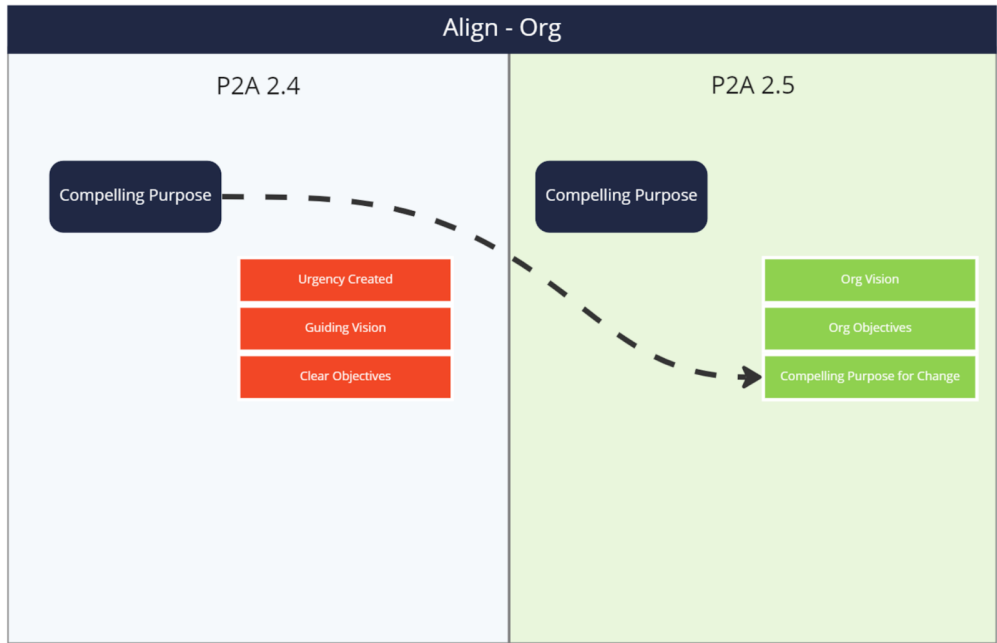

## Summary of Changes

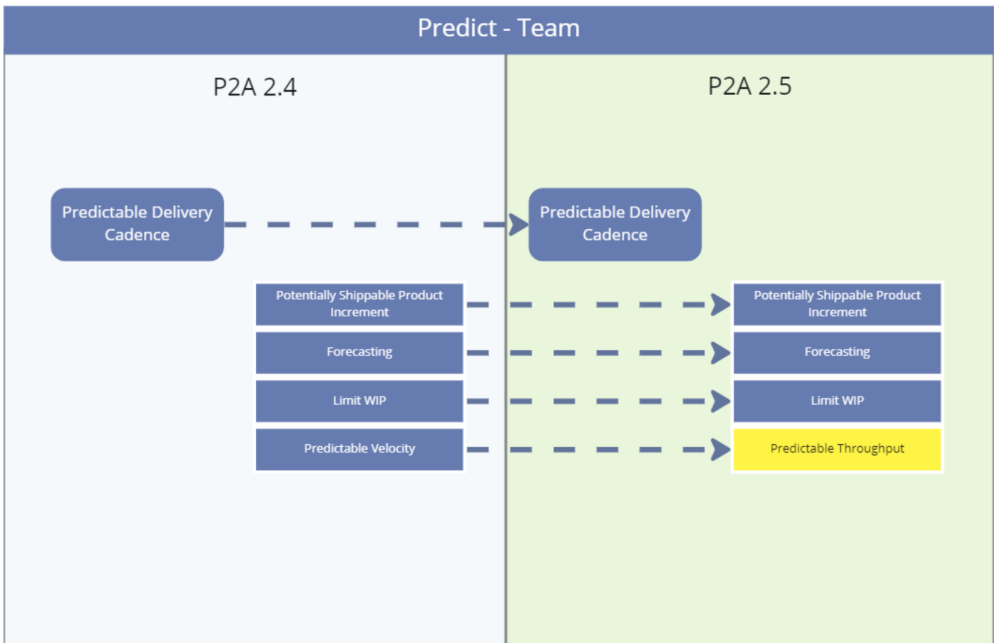

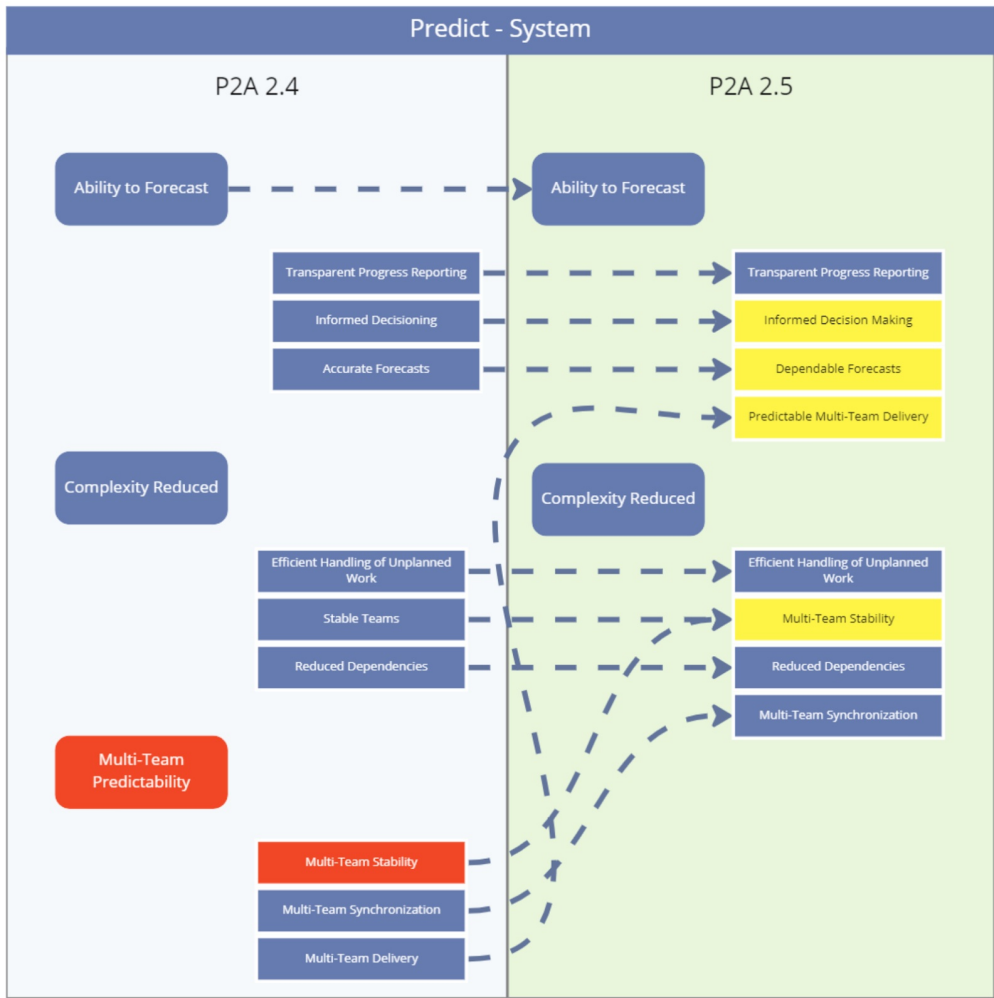

- The Compelling Purpose Agile Outcome was expanded to not just include Compelling Purpose for Change but also Compelling Purpose for the organization by adding two new Capabilities: Org Vision and Org Objectives
- The Ability to Focus Agile Outcome capabilities were expanded to now include: Portfolio Sequencing, Portfolio Funding, Portfolio Visibility and Portfolio Forecasting
- Predict System Outcomes and Capabilities were simplified by removing the Multi-Team Predictability Agile Outcome and merging with Complexity Reduced and Ability to Forecast
- All Predict System and Team capabilities were reviewed and their descriptions and acceptance criteria refined
- The capability Adaptive Long-Term Forecasting (from Decision Agility AO) was merged with the Financial Agility capability into Adaptive Long-Term Forecasting and Funding capability within Org Adapt Whole Org Agility Agile Outcome

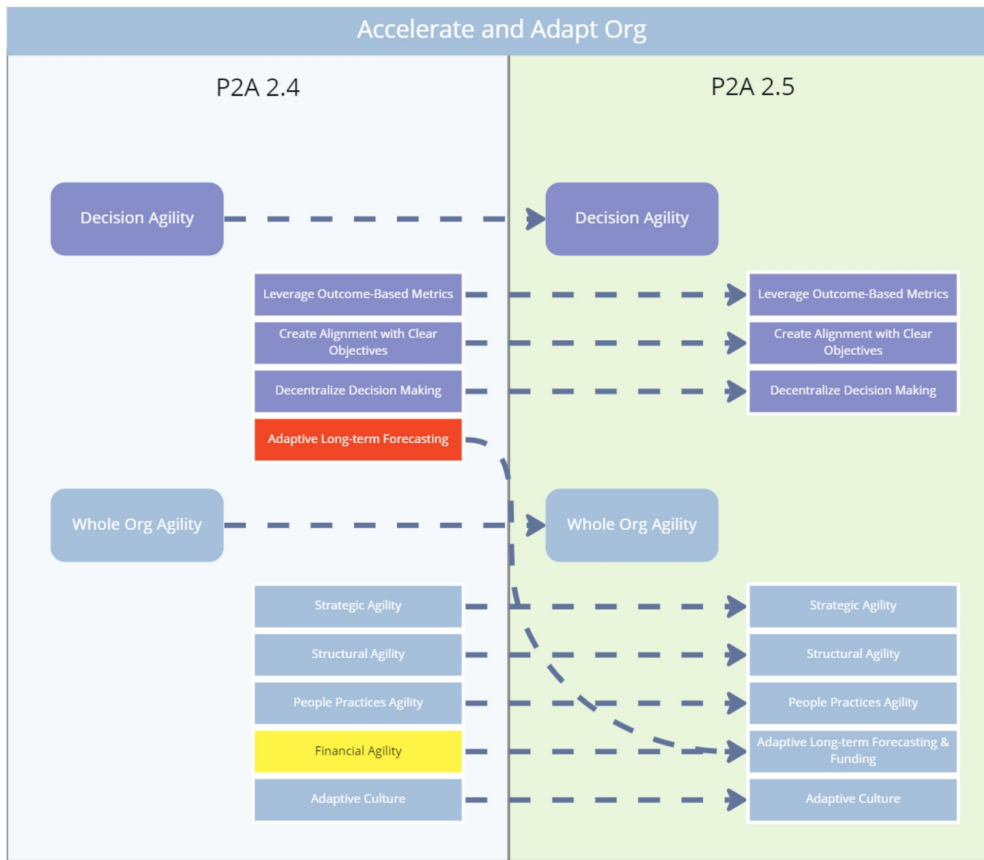

## Detail Listing of Changes

### Agile Outcome and Capability Changes

## Document Changes
