

Business Unit Dashboard

05/19/2026 11:10 am CDT

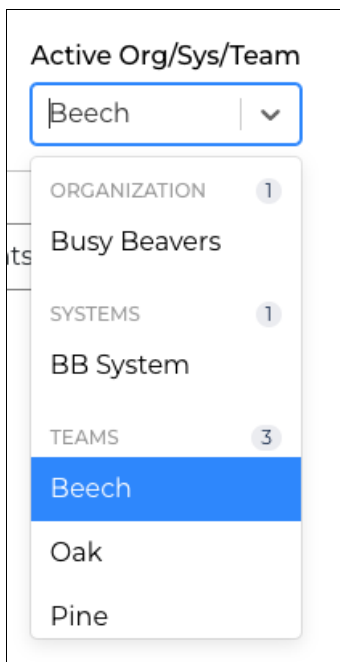

Overview

Visualize performance and progress through a combination of roadmaps, business objectives, and action item backlogs.

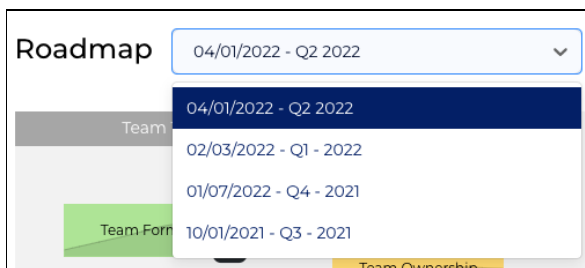

Key User Interface Elements

Select Focus Area for Dashboard

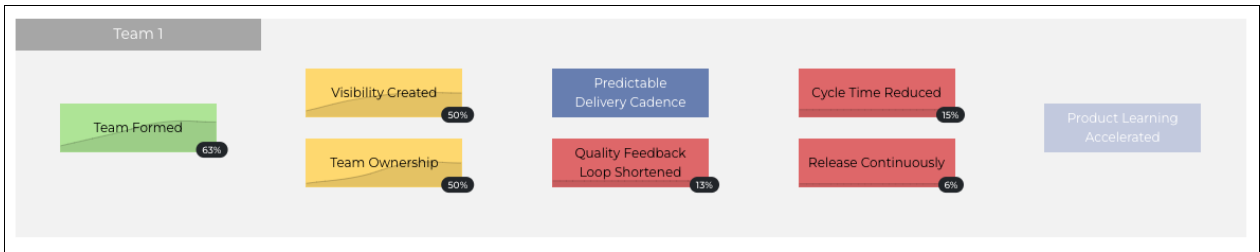

1. Use the **Active Business Unit drop-down** to select the desired focus area

2. Select the desired assessment from the **Roadmap drop-down**:

3. The Dashboard will display progress (RAG and Percentage) and trend lines:

Drill Down

Clicking an **Agile Outcome** will display details in a sidebar:

- [Path to Agility Hierarchy](#) (Stage, Level, etc)
- Selected Focus Area ("Team 1")
- Description of the Agile Outcome
- Corresponding Agile Capabilities
- [Action Items](#) (with RAG and percentage) that are part of the Agile Outcome

On the sidebar, clicking an **Agile Capability** will display additional information:

- Progress Rating (For the selected assessment; can be updated directly from the sidebar)
- Acceptance Criteria
- [Action Items](#)
- Notes
- History (Chronological listing of Progress Ratings - RAG - from all published [assessments](#))

✕

Team
Team 1

Teams know their stakeholders and how their work contributes to the larger goals (e.g. System and Organization), they have agreed on how they work together, and team roles are understood and filled.

Assessment: **Q2 2022**
