Map

04/18/2024 12:56 pm CDT

Overview

The map shows the Agile Outcomes across the Path to Agility stages and levels. You can interact with the elements in the map to drill down into capabilities, add work items, and conduct an Agile Outcome Poll to get a high-level heatmap.

Video of Map Screen

> 🔔 The video shows an older user interface. We are in the process of updating. General concepts are still valid.

Your browser does not support HTML5 video.

* Video recorded with an older version of P2A Navigator.

Key User Interface Elements

Business Outcomes

BO Poll

Click [◎ Launch BO Poll]

See Facilitating a Live Poll for more details
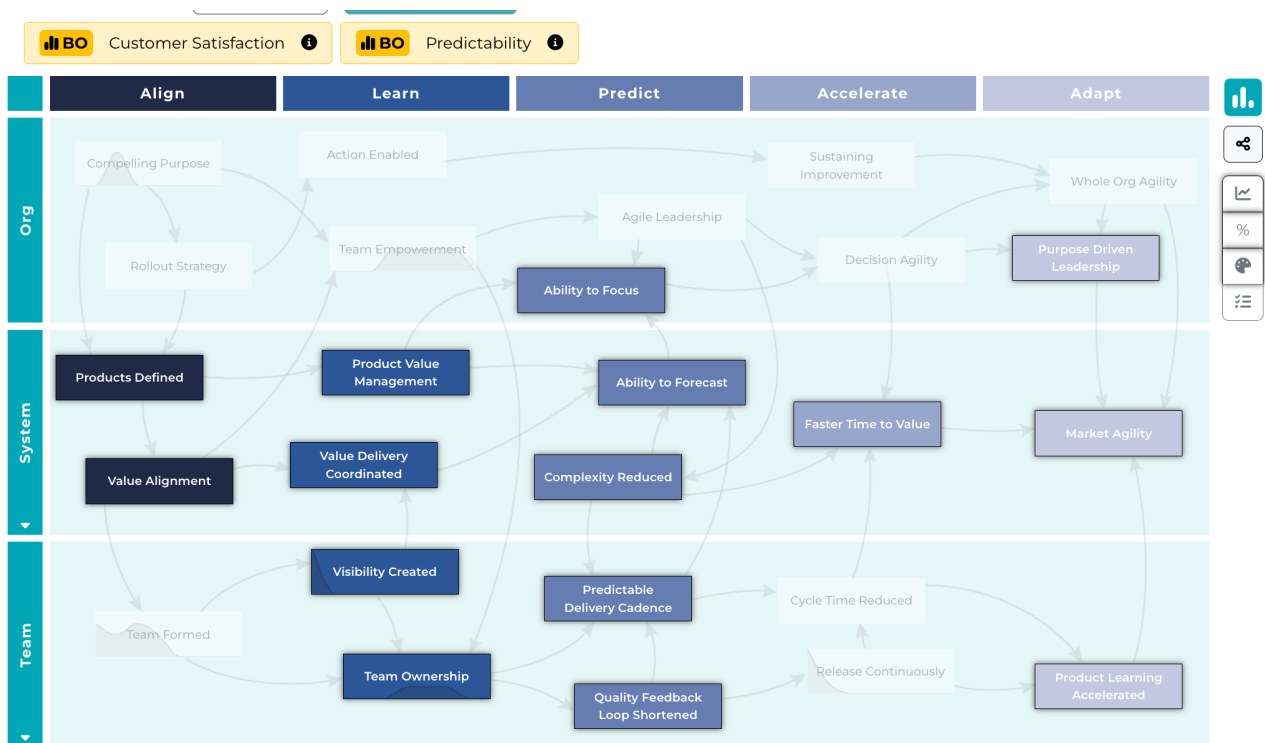

Manually Setting Business Outcomes

1. Click the [◎ Select BOs] button to manually set the Business Outcomes for your Organization

2. On the resulting pop up window, click on an individual Outcome card to toggle it on or off. (The blue highlight indicates that outcome is on." After making any changes, click "submit"

Business Outcomes Select the top 2 - 3 business outcomes for the organization.

Employee Engagement

Employees are more satisfied in their work, willing to go the extra mile, passionate about the purpose of their jobs, and committed to the organization.

Customer Satisfaction

Customers are satisfied with the experience, benefits, and outcomes when using your product or service.

Quality

The product or service meets the expectations of the market for usability, reliability, etc.

Speed

The time it takes to deliver an idea into the market.

Predictability

Teams maintain a predictable cadence of delivery enabling the organization to make informed business decisions.

Innovation

New ideas, creative thoughts, or novel imaginations provide better solutions to meet new requirements, unarticulated needs, or known market needs.

Market Responsiveness

The ability of the organization to pivot quickly to respond to ever-changing market demands.

Productivity

Increase the business value realized while maintaining or reducing costs.

Continuous Improvement

The ability of the organization to relentlessly pursue optimizations in all aspects of business functions.

- Product Learning Accelerated

Launch Agile Outcome (AO) Poll

1. Click the launch AO poll button 📊

2. All stages are included by default. Adjust as desired.

3. Then click "Start" to launch the Agile Outcome Poll

📊 **Agile Outcome Poll Setup**   ✕

Included Stages

| Align ✕ | Learn ✕ | Predict ✕ | Accelerate ✕ | Adapt ✕ | ✕ | ⌄ |

Close   **Start**

4. For complete details, **see Facilitating a Poll**

ℹ️ If just beginning with Path to Agility and establishing a baseline, consider removing Accelerate and Adapt stages.
Controlling Map Display Details

Use the right-side toolbar to toggle on or off the following map items:

- Trend lines
- Percent
- RAG
- Work Items

> ℹ️ The legend at the bottom of the map shows the correlation of "RAG" color scale with percentages
>

Stages and Levels

The Map displays Agile Outcomes grouped in horizontal rows by level, and in vertical columns by state. For more details about stages and levels, see P2A Overview.

Expanding Levels

For organizations that have multiple systems and multiple teams created, the map will display a down arrow indicator for the row:

Click on the down arrow to expand that level to show details for individual systems/teams:

Drill Downs

Agile Outcomes

Click on an Agile Outcome on the map to open a side panel.

The right side panel provides access to a number of details and functions including:
- Path to Agility Hierarchy (Stage, Level, etc)
- Description
- Progress Rating (Can be updated directly from the side panel)

- Agile Capabilities that are part of the displayed Agile Outcome, and their progress rating

- Action Items (Can add action items directly from the side panel)

Agile Capabilities

Clicking on an Agile Capability in the Map side panel view displays similar information plus:
- Acceptance Criteria
- Notes
- History

Assessment Display and Data Export Functions

The map view has a number of filtering, display and data export function:

| Filter by tag... | ⌄ | 🖹 ⬇ ✏ | 01/21/2022 - Discovery Kick Off | ⌄ |

For more information refer to Assessments
