

# P2A Navigator Release Notes September 22, 2023

09/25/2023 3:00 pm CDT

Hey Navigators, we just dropped an update. Here's what's new:

## New Features

- The Capabilities tab now has a Level of Capabilities selection, which lets you view a distribution of Capability results for child Systems or Teams for a given Organization or System. [View more information](#)

### Capability Heatmap

View all agile capability progress at a glance for an organization, system, or team. Select an Agile Outcome or Capability to view more information about it.

## Other Changes

- Progress bars displayed on the Organization cards have been removed from the Company Dashboard to improve load performance.

## Bug Fixes

- Fixed Action Items not displaying in certain cases on the Actions Kanban board

- Fixed Business Outcomes not displaying inside Business Outcome poll in some cases

As always, contact us either by clicking the Contact Support button in the top navigation of Navigator, sending a message in our Path to Agility Slack, or by writing to us at [support@pathtoagility.com](mailto:support@pathtoagility.com). Thank you for being a Path to Agility Navigator user!
