

P2A Navigator Release Notes February 12, 2024

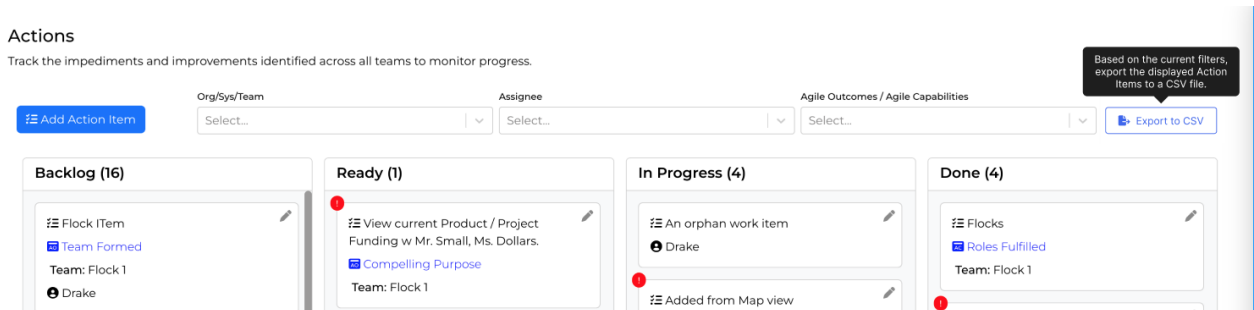

02/14/2024 8:07 am CST

Hi, we've just released an update to P2A Nav. Here's what changed:

New Features

Export Action Items

- Added **Export to CSV** function to the Action Item board to generate and download action item data based using your current filter settings. You can then use the CSV to sort, pivot, and more!

Bug Fixes

- Fixed an issue related to role permissions and the metrics beta feature access.

As always, contact us either by clicking the Contact Support button in the top navigation of Navigator, sending a message in our Path to Agility Slack, or by writing to us at support@pathtoagility.com. Thank you for being a Path to Agility Navigator user!
