Hi, we've just released an update to P2A Nav. Here's what changed:

New Features

- **Business Outcome Poll:** Clicking End Poll will now provide the user with a confirmation modal that allows them to review their selected Business Outcomes, and either proceed and save those Business Outcomes, or proceed without saving the selected Business Outcomes to the organization's Map.

As always, contact us either by clicking the Contact Support button in the top navigation of Navigator, sending a message in our Path to Agility Slack, or by writing to us at support@pathtoagility.com. Thank you for being a Path to Agility Navigator user!
