Hi, we've just released an update to P2A Nav. Here's what changed:

New Features

- **Actions:** There's now a new interface to add, edit, and delete assignees for a company's actions. Access it by clicking the icon next to the "Assignees" title of the filter:

Inside this interface, you can enter the name for a new assignee and add them, edit existing assignee's names, or delete the assignee.

Changes

- Clarified language in the Live Poll and Offline Survey participant interfaces relating to how the user's name is used in the survey. Hover over the "How is this used?" text when entering your name to view it.

Your facilitator is able to view you

Name

John Doe

Your name is only used for communicating to your facilitator who has responded and who hasn't. Your individual responses are anonymous, and are never shared directly with the facilitator or anyone in your company.

As always, contact us either by clicking the Contact Support button in the top navigation of Navigator, sending a message in our Path to Agility Slack, or by writing to us at support@pathtoagility.com. Thank you for being a Path to Agility Navigator user!
