

P2A Navigator Release Notes October 24, 2024

10/24/2024 12:27 pm CDT

Hi, we've just released an update to P2A Nav. Here's what changed:

New Features

- Participants joining Capability Polls will now see a redesigned dialog to enter their name, which highlights the team name the poll is for. This was done in order to help prevent polls from being conducted in incorrect teams accidentally. Let us know what you think!

The screenshot shows a dialog box titled "Team Agility Assessment". It contains two input fields. The first is labeled "What's your name?" and contains the text "Jeff". Below it is a note: "This helps the facilitator know who has voted. Your individual responses will not be shared." The second input field is labeled "Check your team name." and contains the text "Pirates". Below it is a note: "If the team name above is incorrect, tell your facilitator." At the bottom right of the dialog is a blue button labeled "Start assessment".

As always, contact us either by clicking the Contact Support button in the top navigation of Navigator, sending a message in our Path to Agility Slack, or by writing to us at support@pathtoagility.com. Thank you for being a Path to Agility Navigator user!
